

# PROFESSIONAL MARINE CLEANING PRODUCTS

## GEL COAT COMPOUND

#1385

Formulated to buff cooler to minimize fiberglass damage

Works best with a 100% white wool pad

Follow with Ultra Polish for highest gloss finish

Works best on moderate to heavy oxidation

## SUPER CUT COMPOUND

#1345

Works best with a 100% white wool compounding pad

Follow with Gel Coat Compound and green polishing pad

Best compound for removing heavy oxidation

## ULTRA POLISH

#1335

Removes minor surface imperfections and oxidation

Contains no waxes, fillers or silicones

Works best with green wool polishing pad

Creates an extremely high gloss, lasting final finish

## METAL POLISH

#1665

Use on chrome, copper, brass, aluminum, stainless steel and other metals

Apply directly to cloth rather than metal when polishing

Polishes metal and applies an anti-corrosion layer to surfaces

## WHITE WOOL PAD

#890141

100% white wool (twisted)

Most aggressive pad

Best paired with Gel Coat Compound or Super Cut Compound

Heavy Cut Compounding Pad

## GREEN WOOL PAD

#890143

Blended wool (twisted) heavy polish pad

Removes oxidation and medium to light scratches

Best paired with Ultra Polish

Light Cut / Polish Pad

Compounds

Buffing Pads

Cleaning / Detailing

## UV CREME WAX

#1661

High durability: Lasts 6 months to one year

Easy-on, easy-off application

Banana scented

Protective wax with UV inhibitors to defend gel coats from degradation

## NANO CLEANER WAX

#1668

Time-saving, one-step product

Produces a high-gloss finish

Applies a high durability wax for long-lasting protection

One-step polish and wax removes light oxidation and provides lasting protection

## ULTRA CONC. BOAT WASH

#1662

Phosphate-free and biodegradable

1:400 dilution

Works great with clay or NanoSkin® products

High performance, deep cleaning concentrate that creates thick suds to last the whole wash

## HULL & DECK CLEANER

#1660

Phosphate-free and biodegradable

Takes off difficult, black streaks from gel coat and other fiberglass coatings

Removes leaf stains and bird droppings

Great all-around cleaner; Use on all surfaces, including aluminum

## EXPRESS DETAIL

#1666

Easy-to-use. Just spray on and wipe off

Safe for use on all boats

Removes fresh water spots

Cherry scented, contains carnauba wax

Quick, light-duty cleaner leaves a protective shine

## GLASS CLEANER

#1667

Phosphate free and biodegradable

Ready-to-use formula

Pomegranate scented

Cleans glass without streaking, even in the hot sun

## VINYL & PLASTIC CLEANER

#1663

Removes tough mildew and dirt from textured surfaces

Use on seats, cushions, dash, floor and more

Unscented

Deep cleans all vinyl and plastic surfaces

## VINYL & PLASTIC CONDITIONER

#1664

Leaves a protective barrier that prevents damage from the environment

Water-based formula

Lemon scented

Brings vinyl and plastic back to life
